

PLC, HMI, Based Machine Manufacturer & AGARBATTI & DHOOP STICK & dhoop cone & Back Flow & Lari Packing All Are Packing Machine & couting machine & dhoop stick Making Machine & Sambrani Cup Making Machine & Samrani Cup Packing Machine Etc.

4 Head Fully Automatic Incense Sticks Counting & Packing Machine

Our Range of Packaging Machinery:

Incense Sticks Packaging Machinery

- | | |
|---|---|
| (1) 2 Head Incense Sticks Counting Packing Machine | (4) 4 Head Incense Sticks Counting Packing Machine |
| (2) 2 Head Incense Sticks Weighing Packing Machine | (5) 4 Head Incense Sticks Weighing Packing Machine |
| (3) 2 Head Incense Sticks Counting & Weighing Packing Machine | (6) 4 Head Incense Sticks Counting & Weighing Packing Machine |

Specifications :

- | | |
|---|--|
| <ul style="list-style-type: none"> ● Machine Speed: 5 to 50 Pouch/Minute (Depends on Size & Qty.) ● Production Capacity: 2400 to 24000 Pouch/ 8 Hours. ● Required Power: 6 hp Single Phase. (3 hp Compressor) ● Length of Incense Sticks: 8" to 12" ● Diameter of Incense Sticks 2.8 to 3.5mm. ● Roll: 80mm to 250mm BOPP Heat Sealable (22 to 50 Micron) ● Center Sealing Or Side Sealing As Per Requirement. ● 1 Suite Installed and 2 Suite Free with Machine As Per Requirement | <ul style="list-style-type: none"> ● 4 Head Design For Incense Sticks Counting ● PLC Based Programing with 7" HMI ● Automatic & Manual Both Operating System. ● Temperature indication Display for Cutting and Sealing Temperature ● Heavy Rigid Structure ● Easy Operating System for Machine ● Machine Auto Stop While Incense Material Finished. |
|---|--|

4 Head Fully Automatic Dhoop Sticks Counting & Packing Machine

Our Range of Packaging Machinery:

Dhoop Sticks Packaging Machinery

- | | |
|---|---|
| (1) 2 Head Dhoop Sticks Counting Packing Machine | (4) 4 Head Dhoop Sticks Counting Packing Machine |
| (2) 2 Head Dhoop Sticks Weighing Packing Machine | (5) 4 Head Dhoop Sticks Weighing Packing Machine |
| (3) 2 Head Dhoop Sticks Counting & Weighing Packing Machine | (6) 4 Head Dhoop Sticks Counting & Weighing Packing Machine |

Specifications :

- | | |
|---|--|
| <ul style="list-style-type: none"> ● Machine Speed: 5 to 45 Pouch/Minute (Depends on Size & Qty.) ● Production Capacity: 2400 to 24000 Pouch/ 8 Hours. ● Required Power: 6 hp Single Phase. (3 hp Compressor) ● Length of Dhoop Sticks 3" to 10" ● Diameter of Dhoop Sticks 2.8 to 10mm. (As per Customer Requirement) ● Roll: 80mm to 250mm BOPP Heat Sealable (22 to 50 Micron) ● Center Sealing Or Side Sealing As Per Requirement. ● 1 Suite Installed and 2 Suite Free with Machine As Per Requirement | <ul style="list-style-type: none"> ● 4 Head Design For Dhoop Sticks Counting ● PLC Based Programing with 7" HMI ● Automatic & Manual Both Operating System. ● Temperature indication Display for Cutting and Sealing Temperature ● Heavy Rigid Structure ● Easy Operating System for Machine ● Machine Auto Stop While Dhoop Material Finished. |
|---|--|

2 in 1 4 Head Fully Automatic Agarbatti & Dhoo Stick Counting & Packing Machine

Our Range of Packaging Machinery:

2 in 1 Incense Sticks & Dhoo Sticks Packaging Machinery

- | | |
|--|---|
| (1) 2 Head Incense Sticks & Dhoo Sticks Counting Packing Machine | (3) 4 Head Incense Sticks & Dhoo Sticks Weighing Packing Machine |
| (2) 4 Head Incense Sticks & Dhoo Sticks Counting Packing Machine | (4) 4 Head Incense Sticks & Dhoo Sticks Counting & Weighing Packing Machine |

Specifications :

- Machine Speed: 5 to 30 Pouch/Minute (Depends on Size & Qty.)
- Production Capacity: 2400 to 15000 Pouch/ 8 Hours.
- Required Power: 6 hp Single Phase. (3 hp Compressor)
- Length of Dhoo Sticks 3" to 10" & Length of Incense Sticks: 8" to 12"
- Diameter of Dhoo Sticks 2.8 to 10mm. (As per Customer Requirement)
- Diameter of Incense Sticks: 2.8 to 3.5mm. (As per Customer Requirement)
- Roll: 80mm to 250mm BOPP Heat Sealable (22 to 50 Micron)
- Center Sealing Or Side Sealing As Per Requirement.
- 1 Suite Installed and 2 Suite Free with Machine As Per Requirement
- 2 Head Design For Dhoo Sticks & 2 Head Design For Incense Sticks Counting
- PLC Based Programing with 7" HMI
- Automatic & Manual Both Operating System.
- Temperature indication Display for Cutting and Sealing Temperature
- Heavy Rigid Structure
- Easy Operating System for Machine
- Machine Auto Stop While Material Finished.

4 Head Fully Automatic Dhoo Cone Counting & Packing Machine

Our Range of Packaging Machinery:

Backflow Incense Cone/Dhoo Cone Packaging Machinery

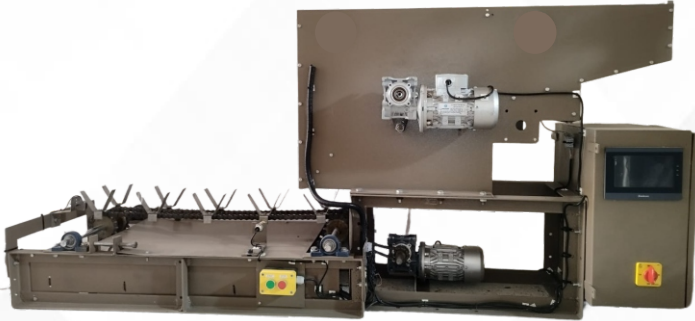

- | | |
|--|--|
| (1) 2 Head Dhoo Cone Counting Packing Machine | (4) 4 Head Dhoo Cone Counting Packing Machine |
| (2) 2 Head Dhoo Cone Weighing Packing Machine | (6) 4 Head Dhoo Cone Weighing Packing Machine |
| (3) 2 Head Dhoo Cone Counting & Weighing Packing Machine | (5) 4 Head Dhoo Cone Counting & Weighing Packing Machine |

Specifications :

- Machine Speed: 20 to 22 Pouch/Minute (As Per 20 Cones/Pouch Calculation)
- Production Capacity: 9600 to 10600 Pouch/ 8 Hours.
- Required Power: 6 hp Single Phase. (3 hp Compressor)
- Diameter of Dhoo Cone: 12 to 16mm. (Required Exact Size)
- (Height of Cones: 1" to 2".
- Roll: 80mm to 250mm BOPP Heat Sealable (22 to 50 Micron)
- 1 Suite Installed and 2 Suite Free with Machine As Per Requirement
- 4 Head Design For Dhoo Cone Counting
- PLC Based Programing with 7" HMI
- Automatic & Manual Both Operating System.
- Temperature indication Display for Cutting and Sealing Temperature
- Heavy Rigid Structure
- Easy Operating System for Machine
- Machine Auto Stop While Dhoo Material Finished.

Fully Automatic Agarbatti Counting Machine

Specifications :

- Machine speed :- 3 - 30 Bucket per minute (Depends on quantity of stick)
- Production capacity :- 1440 - 14400 per /8 hours.
- Required Power :-3hp single phase.(2hp compressor)
- Length of stick :- 8" to 12" any
- Diameter of stick:- 2.8 to 3.5mm
- 1 head or 2 head or 4head as per production required.
- PLC and HMI touch screen based machine.
- Automatic and manual all function are available.
- Heavy rigid structure
- Easy operating system for machine
- Machine auto stop while production complete which set in touch screen data.
- Material damage control sensor also in
- Machine so never material drop from last bucket.

MACHINERY PROJECTS

Fully Automatic Dhoop Sticks Making Machine

Semi Automatic Dhoop Sticks Making Machine

Fully Automatic Sambrani Cup Making Machine

Semi Automatic Sambrani Cup Making Machine

Sealing Machine

Shrink Tunnel Machine

Incense Sticks & Dhoop Sticks Dryer

Mixer Machine
